

Adopt-A-Family 2018

Because every woman and child deserves a Happy Holiday!

Women's Center & Shelter
of Greater Pittsburgh

Imagine: You and your children are spending the holidays in a domestic violence shelter where you have arrived with only the clothes on your backs. Or perhaps you and your children have already escaped the physical and economic abuse of your partner but struggle to make ends meet. How will you give your kids a happy holiday?

Women's Center & Shelter's client families face these situations every year. **But you can give them a holiday to remember.** By symbolically adopting a family, you will make this holiday season as normal and joyful as possible for a family of survivors of intimate partner violence.

One of Women's Center & Shelter's core values is to empower women to make their own choices, so we want our clients to have the freedom to shop for their own children. **By donating gift cards,** you give women the opportunity to delight in the experience of purchasing and giving presents to their children.

Please note that we are unable to accept used clothing.
