As the last few years have passed by, we have begun to feel the winds of change blowing this way. Movements like #MeToo and #TimesUp have helped survivors walk out of the shadows and into the light of day. At first, most were speaking out about sexual assault, but that soon trickled over to speaking up about domestic violence. More than ever before, courageous survivors were raising their voices to tell their stories and ask for help.

Survivors around the country – and locally – were working toward healing the hurt and speaking out about stopping the violence. It was becoming clear that more people than ever would need our services.

It was going to take more hearts and hands to serve additional survivors. And importantly, we had been seeing the complexity and danger of many survivors’ situations increasing, leading to the need to serve our clients in a deeper, more comprehensive manner as well. Thankfully, help was rolling in over the horizon. WC&S applied for and received several new grants and expanded contracts that allowed us to improve our organizational capacity and reach, enhance our children’s services by adding a Children’s Counselor and Children’s Support Specialist, hire staff to forge new programming focused on outreach to the community and specifically to the LGBTQ+ community, and expand our Immediate Needs Coordination program, our team serving refugees, immigrants, and limited English speakers, and our team working with families impacted by both child abuse and intimate partner violence. We also merged STANDING FIRM, the Business Case to End Partner Violence, into WC&S. What all of this means is more passionate helpers to branch out into underserved areas and to provide a deeper level of case management, support services, and prevention.

Each year for the last three years, WC&S has served an additional 1,000 clients – moving from serving 5,000 people a year to serving 8,000 a year. Our incredible staff takes our complex work in stride, simultaneously supporting each other and our adult and child clients. They make the difference and I’m honored to navigate these experiences with them every day. What a challenging, but also amazing, year we’ve had together.

It hasn’t been one year down; it’s been one year up. Upholding. Upsizing. Uplifting.

Together, our community of friends, our dedicated Board of Directors, and our incredible staff, are heading onward and upward, with the goal of continuously improving our outreach and services to adult and child survivors of domestic violence and ending the cycle of violence.

Sincerely,

Nicole Molinaro
President/CEO
24-Hour Hotline

WC&S’ Hotline Advocates are trained in crisis intervention and survivor-centered advocacy. The Advocates assess the callers’ safety (and contact emergency responders when needed), offer counseling, and walk the callers through creating and updating safety plans.

Answered 5,137 crisis calls for 1,114 hours of counseling.

Emergency Shelter

WC&S’ Emergency Shelter provides safety for adults and children in immediate, lethal danger. Core services for Shelter residents include safety planning, goal planning, and advocacy for housing, career, health, and mental health.

Housed 265 adult survivors and 246 children in our Emergency Shelter, for a total of 16,612 nights. A total of 46,197 meals were served to residents.

Children’s Program

The Children’s Program is a safe, welcoming, nurturing space where child victims of IPV can heal from trauma. In addition to addressing basic needs like medical care and school access, WC&S’ Child Advocates collaborate with local organizations to bring fun, expressive activities to the children we serve. Importantly, the Children’s Program also creates opportunities for mothers and their children to connect with each other while they work through some of the most difficult challenges they have faced.

Provided 348 children with 6,667 hours of direct service.

Empowerment Center (Non-Resident Program)

Support groups are offered at WC&S for IPV survivors who have exited Shelter and those who have not needed Shelter services. Groups cover topics like building life skills, seeking safety, recognizing reproductive coercion, fostering wellness, mothering, developing healthy relationships, and surviving trauma. Individual therapy is provided onsite to help cope with the effects of IPV including depression, post-traumatic stress disorder, and anxiety.

Provided 338 adult survivors of intimate partner violence with 3,289 hours of non-resident counseling and emotional support.

Legal Advocacy

WC&S’ Legal Advocacy Department helps IPV survivors navigate the court system by providing information, resources, counseling, and ongoing support free of charge. Legal Advocates may guide survivors through obtaining Protection From Abuse (PFA) orders and accompany them to court hearings. Legal Advocates also work with the justice system to improve procedures and to train police on IPV issues.

Provided 7,314 hours of Legal Advocacy to 3,673 survivors of domestic violence crime.

Civil Law Project (CLP)

Through the Civil Law Project (CLP), WC&S clients can receive free legal representation in matters including PFA orders, custody and child support, and divorce.

Opened 635 new cases serving 434 new clients.
Medical Advocacy
The Medical Advocacy Coordinator maintains relationships between WC&S and local healthcare providers, distributing WC&S print materials to medical practices and meeting with patients admitted to hospitals for IPV-related injuries. Additionally, the Advocate trains healthcare professionals and students in medical fields in an effort to enhance the healthcare system’s response to IPV.

The Medical Advocacy Coordinator delivered 73 IPV trainings to healthcare professionals at UPMC Mercy, UPMC Shadyside, UPMC Magee hospitals.

Education
WC&S delivers training and presentations on IPV awareness and prevention to criminal justice professionals, students, clergy, corporations, and other professionals.

WC&S staff delivered 25 criminal justice trainings to 377 professionals and 31 trainings to 333 other professionals in the community. Various WC&S staff delivered 31 public presentations to 851 people in the community.

MENS (Men Embracing Nonviolence and Safety) Program
WC&S’ batterer’s intervention program provides 10 weekly intervention groups to IPV offenders in various offsite locations. Program sessions last 24 weeks and encourage men to change their attitudes and beliefs that perpetuate IPV.

The MENS Group provided 388 MENS participants with batterer’s intervention programming.

Immediate Needs Coordination (INC)
Since 2015, this program has provided much-needed social service advocacy—such as applying for public benefits, seeking assistance with utilities, and securing financial support for school enrollment—to Civil Law Project clients. In spring 2018, WC&S began extending this program to other non-resident clients (i.e. clients who are seeking counseling, advocacy, and legal services from WC&S).

The INC Team served 217 new clients and distributed Immediate Needs Funds to 183 clients in need of one-time emergency financial assistance.

Refugees, Immigrants, and Limited-English (RIL)
WC&S has a special team that works with refugees, immigrants, and limited-English speakers, called the RIL Team. These multilingual staff members work at two levels – assisting individual clients and advocating for systems-level improvements to better serve RIL clients.

The RIL Team worked with 109 unique clients for 410 hours of direct services and delivered 276.65 hours of indirect service work in systems advocacy, community education, and training to the community.

CYF Program
WC&S has a contract to work with families referred by the Department of Human Services’ Office of Children, Youth, and Families (CYF). These cases involve both IPV and child abuse, and they tend to be some of the most dangerous cases that WC&S sees. WC&S’ four CYF Advocates also provide training, coaching and consultation to CYF caseworkers throughout the county.

WC&S’ CYF Advocates delivered 10 trainings to 164 of Allegheny County’s CYF caseworkers, 262 caseworkers received consultations, and 507 new WC&S clients received CYF services.

STANDING FIRM
Fiscal Year 2018-2019 marked our first full operating year with STANDING FIRM functioning as a program of Women’s Center & Shelter. STANDING FIRM enhances our prevention efforts in the greater community. STANDING FIRM alerts employers to the financial, safety, and human costs of partner violence on the workplace and workforce, and equips employers with tools for taking effective organizational action.

To date, 391 employers representing 390,625 employees have become STANDING FIRM members to access training and improve their company’s response to IPV.
This summer, WC&S received amazing news from the Pennsylvania Commission on Crime and Delinquency (PCCD). Both of our pending proposals were approved! These grants provided for the hiring of several new full-time positions and the implementation of additional programming including:

- **Children/Youth Counseling**
  The Children’s Counselor provides counseling for children ages 5-17 for issues related to violence they may have witnessed and/or experienced. The Counselor also meets with children to discuss issues such as bullying, adjustment issues, anxiety, stress, self-esteem, etc.

  A new Children’s Support Advocate helps with assessing parental stress/needs, assessing child behavioral/emotional needs, and connecting families to resources. The Advocate also provides extra support in the Emergency Shelter for families and helps moms with parenting tools and strategies.

- **Victims Compensation**
  The Victims Compensation Advocate helps victims of IPV crime to file for Victims Compensation, including providing follow-up care, entering compensation-related information into the Dependable Access for Victims’ Expenses portal, and providing advocacy as needed with Victims Compensation professionals.

- **LGBTQ+ Advocacy**
  Housed in WC&S’ Empowerment Center, this new Advocate reaches out – both on-site and in off-site locations – to members of the LGBTQ+ community who are experiencing or have experienced intimate partner violence (IPV). By expanding outreach efforts for Allegheny County’s population of LGBTQ+ survivors through support groups as well as individual counseling and advocacy offered both off-site and on-site, WC&S will provide free, confidential services to IPV survivors who may have previously felt excluded from victims’ services and advocacy.
